About us

HOLLIS is one of the most respected sanitaryware brand in India. It is a brand owned by **Hollis** sanitarywares Pvt. Ltd. Morbi. Established in the year 1998, the company has shown strong performance in the past few years to become one of the best in the industry.

With a vision to always roll out high quality and innovative products, the brand is going from strength to strength. They have always delivered value to the customer in one form or the other. Be it great quality, good looks, smart finish or exquisite design, the company has done everything possible to establish that the customer is the king.

The company has more than 200 articles available in 20 plus finish and colors. The products are marvelous and amazing, serving the dream of many to put up smart wash rooms and rest rooms. In today's Gen Y age, the company has consistently innovated to develop products that meet the latest trends and fashion. With the design department working in conjunction with the marketing department, market focused growth has been accomplished by the company.

Further, the company is proud to be ISO 9001:2000. This is a mark of the high standards of quality that we maintain and the products that we deliver. The company has set up systems and procedures that check and control quality of processes and products. With a very huge capacity of production and labour oriented industry, it is a matter of surprise to many as to how the company maintains these levels of quality. The passion of the founders to be the most preferred brand and always deliver the best to the customers has empowered the people of the company to work in these stringent norms.

Production & Quality

Raw material

To make finest sanitary ware products it requires a quality and standard inspection of raw materials. We **HOLLIS** Sanitary ware have made a standard quality bench mark to use raw material for making our finest iconic products.

With challenges in modern design we ensure that all raw material must go through complete quality procedure so it gives foundation of an excellent product. This brings out the true essence of sanitary ware products from Sonara Sanitary ware.

Quality procedures

In our production line our crafters follow all the quality procedure to ensure that our product becomes the centre of attraction. With certain quality criteria our products are one of the best & preferred in the market.

A quality process with visual reference that contain the trace of craft and shape to memorize the iconic **Hollis** Sanitary ware products and reinvent the theme of bath space design.

The right kind of quality service that's differentiate us from others Let our quality products exceed your expectations.
